# WHO WE ARE

Mareleva is an Italian company specialized in the creation, research and development and production, to supply a 360° full services for cosmetics and make up market.

Our constant marketing research and long term experience allows us to better understand changing consumer demands and creates products that truly appeal to their needs. We work together with our customers to successfully adapt the selected concept to their brand identity.

# OUR MISSION

## FLEXIBILITY

---

To better satisfy each customer's requirements

## DYNAMISM AND PROACTIVITY

---

To provide customers high quality and quick solutions

## STRATEGIC RELATIONSHIPS

---

To offer a 360° service to customers, by building up and consolidating relationships with the greatest partners over the entire supply chain

## CUSTOMERS SATISFACTION

---

To lead customers from the first idea to the finished product, in a process all 100% Made in Italy
